

# 1336-BDB-SP17C

## Allen Bradley Drives – 1336 PCB Boards

### Technical Specifications:

|                            |   |
|----------------------------|---|
| Manufacturer               | Rockwell Automation                                   |
| Brand                      | Allen-Bradley   |
| Part Number/Catalog Number | 1336-BDB-SP17C  |
| Product Line               | 1336 PCB Boards                                       |
| Product Type               | PCB Board, Spare Part, Inventory                      |
| Compatible Drives          | PLUS, PLUS II, FORCE, and IMPACT Allen-Bradley drives |
| Horsepower                 | 40 Horsepower   |
| Voltage                    | 460 Volts AC  |
