

# 1336-C015-EAE-S1

Allen Bradley Drives – 1336

## Technical Specifications:

|                            |                               |
|----------------------------|-------------------------------|
| Manufacturer               | Rockwell Automation           |
| Brand                      | Allen-Bradley                 |
| Part Number/Catalog No.    | 1336-C015-EAE-S1              |
| Product Type               | Adjustable Frequency AC Drive |
| Input Voltage              | 500/575/600V AC               |
| Hertz                      | 50/60                         |
| Phases                     | 3                             |
| Amps Out                   | 19.1                          |
| kVA Output at 380 Volts AC | 16.5                          |
| kVA Output at 415 Volts AC | 18.9                          |
| kVA Output at 460 Volts AC | 18.9                          |
| Enclosure Type             | NEMA Type 1 (IP20)            |
| Enclosure Amp Rating       | 15 or 20                      |
| Bulletin                   | 1336                          |
| Option                     | Serial Port Connector         |
