

# 1336E-BRF20-AA-EN-HA1-L5

## Allen Bradley Drives – 1336 IMPACT Drives

| Technical Specifications: |  |
|---------------------------|--|
| Manufacturer              | Rockwell Automation                        |
| Brand                     | Allen-Bradley                              |
| Part Number/Catalog No.   | 1336E-BRF20-AA-EN-HA1-L5                   |
| Voltage                   | 380 to 480 Volts AC or 513 to 620 Volts DC |
| kW (Horsepower)           | 1.5 (2)                                    |
| Enclosure Type            | NEMA 1 (IP20)                              |
| Language                  | English/English                            |
| HA1                       | Programmer/Controller w/Analog Pot         |
| L5                        | 24 Volts AC/DC                             |
