

# 1336S-BRF10-AN-EN4-HA2-L9E

Allen Bradley Drives – 1336 PLUS Drives

## Technical Specifications:

|                         |  |
|-------------------------|--|
| Manufacturer            | Rockwell Automation  |
| Brand                   | Allen-Bradley  |
| Part Number/Catalog No. | 1336S-BRF10-AN-EN4-HA2-L9E                                     |
| Voltage                 | 380-480V AC or 513-620V DC                                     |
| kW(Hp)                  | 0.75 (1)   |
| Enclosure Type          | IP 00 (Open)   |
| Language                | English  |
| HA2                     | Snap-In Cradle/Blank Plate                                     |
| L9E                     | 115V AC & Encoder Feedback for use with Encoder Loss Detection |
