

1746-NR4

Allen Bradley PLC – SLC 500

| Technical Specifications: | |
|---------------------------|--|
| Manufacturer | Rockwell Automation |
| Brand | Allen-Bradley |
| Part Number/Catalog No. | 1746-NR4 |
| Series | SLC 500 |
| Module Type | RTD/Resistance Analog Input Module |
| Inputs | 4 |
| Backplane Current | 50 milliamps |
| Bandwidth | 2.62-65.5 Hertz |
| Update Time | 17 milliseconds-1.2 seconds |
| Resolution | 16 bits in, 14 bits out |
| Operating Temperature | 0 to 60 degrees Celsius |
| Storage Temperature | -40 to 85 degrees Celsius |
| Step Response | 60 milliseconds in, 2.5 milliseconds out |
| Operating Isolation | 500 Volts/1 minute |
