

# 2080-MEMBAK-RTC

Allen Bradley PLC – Micro 800

## Technical Specifications:

|                         |                                       |
|-------------------------|---------------------------------------|
| Manufacturer            | Rockwell Automation                   |
| Brand                   | Allen-Bradley                         |
| Part Number/Catalog No. | 2080-MEMBAK-RTC                       |
| Product Type            | MemoryBackup and High Accuracy RTC    |
| Resolution READ_RTC     | 1 s                                   |
| Accuracy                | +/-5 sec/month @ 25* C                |
| Operating Altitude      | 2000 m                                |
| Compatibility           | Not Supported on Micro820 Controllers |
