

# 2080-SERIALISOL

Allen Bradley PLC – Micro 800

| Technical Specifications:        |                      |
|----------------------------------|----------------------|
| Manufacturer                     | Rockwell Automation  |
| Brand                            | Allen-Bradley        |
| Part Number/Catalog No.          | 2080-SERIALISOL      |
| Product Type                     | Isolated Serial Port |
| Mounting Torque                  | 0.2 Nm               |
| Terminal Screw Torque            | 0.22-0.25 Nm         |
| Isolated Voltage                 | 500V AC              |
| Surrounding Air Temperature max. | 65* C                |
